Food Vendor Application 2018

About the Festival

The Annual Rattlesnake Festival began in 1967 as a small Jaycee project in San Antonio, Florida. In 1973, arts and crafts were added as an important part of the event. This festival is attended by more than 10,000 people. People come to visit and take part in the food, arts & crafts, live music, wildlife, children's games, and local history that are highlighted at the festival.

There will be some major changes this year for those of you who have vended at the festival in the past. Growth and parking considerations have required us to make a change of venue. We wanted to stay close to the original spot and so we have moved 4.4 miles down the road to the Pasco County Fairgrounds. This will allow us to expand the festival to three days of activities and provide us with abundant parking. We believe this will result in a better festival and increased attendance.

FOOD VENDORS NOTE: We may plan a Friday evening band night. If we do, we will do so with plenty of notice and invite you to set up on Friday evening and sell at no additional charge.
